## College Night at SLCSE on April 24th from 6:00 - 7:30 pm

We will be hosting a college information night on Thursday, April 24th. The information will be for 11th graders, but all interested high school students may attend. We will discuss the college application timeline, financial aid/scholarships, and ACT scores. We will also be available to go through the FAFSA 4caster, a tool that can help you know how much your student will receive in federal financial aid. We will have a Spanish translator available.

If you have questions, please contact Ashley Paulsen-Cook at [ashley.paulsen@slcschools.org](mailto:ashley.paulsen@slcschools.org) or 801-578-8226.

## Seeking someone to fill a Position!

SLCSE Seniors are doing mock interviews and we need your help! We are looking for 12 adults willing to come in on Friday, April 25th, from 9:45-11:30am. During this time you would interview seniors using questions and an evaluation sheet we have created. All you need to do is play the role of a professional who is seeking someone to fill a position. Having outside adults really helps students take the exercise seriously and be better prepared for interviews out in the real world. If you can help, email [Lisa.Purcell@slcschools.org](mailto:Lisa.Purcell@slcschools.org) Thanks!

## Secretly want to drive a school bus?

Ryan is leaving us next year and we are in need of a new bus driver and a substitute bus driver. Please contact Larry Madden 801-578-8226 if you have any interest.

# SLCSE's First Annual Art Night Fundraiser

## Save the Date!

SLCSE's First Annual Art Night Fundraiser "Pop Music, Pop Art and Popcorn" will be held on **Thursday, May 29<sup>th</sup> from 5:30-**

**8:30 at SLCSE.** This amazing night will highlight the student's hard work with a choir concert, an "Art Gallery Stroll", followed by a silent auction, art market, art activities and food. The money we raise will be used to fund student college scholarships, underserved students to go to Washington, DC, art department supplies, and will help to continue to provide outstanding school programs.

We have already been hard at work starting to make art projects to sell in the art market and soliciting donations from local businesses for the silent auction. Please tell all your friends and family to save the date (and your pennies!) for a fabulous evening!

**\*\*\* Do you own a business? Do you have a friend that does? Do you have a hobby like knitting, jewelry making, woodworking or beekeeping? We are looking for donations for our silent auction!
