SAGE Testing begins

Thursday 4/21/16
Earth Day fundraising
event at Harmons
Grocery Store

SAGE Testing at SLCSE

On Monday 18th April we will commence SAGE testing (Student Assessment of Growth and Excellence) for students in grades 6 through 11. The SAGE testing provides feedback to students, parents and teachers on what your student has learned this year. Please support your student by helping them get to school on time, ensuring that they have a good night's sleep and encouraging them to start each day with a healthy breakfast.

Come Support SLCSE at Harmons

*Please support SLCSE and shop at the City Creek Harmons on **April 21st** from 3 until 8pm. The more you buy, the more our school earns!*

And SLCSE students will be making smoothies and organizing other family fun activities.

LEARNING

THURSDAY, APRIL 21, 2016

5% OF NET SALES will be donated to participating schools.

We look forward to seeing you!

First SLCSE Electric Car

Grace Wason is interested in building an Electric Car! SLCSE is going to help facilitate this project and we are looking for a donation car to start this project. We need a 2 door automobile that doesn't have to be running. Geo Metro, Storm, Subaru Justy, Subaru Brat, Ford Festiva, Datsun 240Z, Volkswagen Beetle, Volks Gia, Volks Type 3, Honda CRX, Suzuki Swift, Mazda Miata, or Toyota M2, etc. Basically a small, lightweight vehicle will fit the bill.

If you know of anyone with a car like this that they would like to donate, please contact Mr. Eaton.

SLCSE Prom

SLCSE's Prom is quickly approaching. It is on April 30th, and we need donations to help make the Prom fabulous. Please let us know if you would be willing to donate food or money.

If you have questions, feel free to contact Emily Holtkamp at emily.holtkamp@slcschools.org

Invitation to Meet the Finalists for Superintendent

(Salt Lake City) – The Salt Lake City School District Board of Education is inviting parents, students, employees, and the community to meet the three finalists for superintendent during a series of community forums and open interviews with the Board of Education. The interviews and community forums will take place next week, Monday, April 18, and Tuesday, April 19.

The three finalists will each spend a day in Salt Lake City. Alexa Cunningham and Krish Mohip will be in town on Monday, April 18, and Rhonda Corr will be here on Tuesday, April 19. All three finalists will spend the respective mornings and early afternoons visiting schools and meeting with district and community leaders. Final board interviews and the community forums will take place later in the day. The public is welcome to attend the board interviews and will be able to submit questions for the candidates during the community forums.

Monday, April 18, 2016

Alexa Cunningham

2:30 p.m. – 4 p.m.	Board Interview
5:30 p.m. – 6:30 p.m.	Community Forum

Krish Mohip

4 p.m. – 5:30 p.m.	Board Interview
6:45 p.m. – 7:45 p.m.	Community Forum

Tuesday, April 19, 2016

Rhonda Corr

4 p.m. – 5:30 p.m.	Board Interview
6:45 p.m. – 7:45 p.m.	Community Forum

The board interviews will take place in the Salt Lake City School District Board Room, located on the first floor of the district administration building, 440 East 100 South. To accommodate larger audiences, the community forums will be held in the auditorium at Bryant Middle School, 40 South 800 East.

The Salt Lake City School District Board of Education anticipates making a final hiring decision by May 1, 2016.

SLCSE Soccer Team

Soccer at SLCSE turned out a motivational program at many levels, (academic, social and behavioral). Children involved are 11 to 18 year olds. Boys and girls. Soccer season 2015 at SLCSE brought at least 45 children together and our girls' team SLCSE "DIABLAS" won a 1st place trophy. Due to lack of funds this 2016 soccer season is not looking too good. Contact Hartland Community 4 Youth and Families (HC4YF) @ Coach Juan Gilberto (801)-745-7494, or Salt Lake Center for Science Education (801-578-8226), if you want to sponsor a player or an entire team. HC4YF is a non-profit organization 501-C 3 and your donation is tax deductible. Application to register for soccer can be found on our school website: www.slcse.org.

Environmental Challenge

Biology and APES students participated in the Fairchild Challenge, an environmental contest hosted by Thanksgiving Point. SLCSE placed third overall.

- Preston and Daija got 3rd place for an amazing original song they performed about the importance of bees.
- Nyuwuda, Jenna, and Tarra placed 3rd for creating a board game that encourages kids to go outside and play.
- AP Environmental Science students earned 3rd for their researching and communicating their findings about Jordan River water quality.
- Kaitlyn and Hope earned 1st place for designing an outfit out of waste materials.

Art Night

Below is a letter we are sending out to local businesses who might be interested in donating to the School's Art Fundraiser Night. Please feel free to share with people who might be interested in supporting a good cause.

Salt Lake Center for Science Education (SLCSE) is proud to announce our 3rd Annual Art Night Fundraiser. The money we make will help fund a printing press and other Art Department supplies, along with Choir music and uniforms. **This year's Art Night will be held on Thursday, May 26th from 5:00 – 8:00 p.m.**, and will highlight the student's hard work with a choir concert and an "Art Gallery Stroll", followed by a silent auction, art market, art activities, and Food Truck dining.

Our goal in 2016 is to raise money for the continued funding of our arts and education programs which are a vital part of our children's success. This is where you come in! **We are asking for your support in raising the much needed money by donating goods and services. Some suggested items are: gift baskets, services, individual items, gift certificates, etc. We are looking to receive all donations by May 1st, 2016.** Our fundraiser goes through the Salt Lake Education Foundation and they will provide you with a **mailed tax receipt for your donation within one month of the event.**

If you would prefer to donate monetarily, you may go to our website at:

<http://slcse.weebly.com/donate-to-slcse.html> and make a donation there. Any support is much appreciated!

This year the donors will be listed in the school newsletter, on our website, and featured on the Art Night Thank You banner that will hang in the entryway of the school for the 2016-2017 school year.

Thank you in advance for your time and consideration in making a donation to ensure the success of our fundraiser and the future of our valued arts program at Salt Lake Center for Science Education. If you have any questions, please contact Lynn Lonardo at Lonardo_7@msn.com / ph-801-633-3142.

Our kindest regards,

The SLCSE Art Night Committee
