Scholarships

Saja, Anna and Moani were awarded **MESA** scholarships this week for their participation in the MESA program. MESA's mission is to increase the number of underrepresented minorities and women who enter and succeed in Math, Science, Engineering, and related technical fields as well as teaching.

We are proud to announce that the following seniors received scholarships from the **Rotary Club**. Each Scholarship recipients has earned \$2,000.00 for their outstanding service and volunteerism to our school and community. Student are Moani Tuitupou, Saja Alsarrieh, Jenna Maddox, Guadalupe Cruz, Christian Norseth and Miranda Uribe.

April 4
SAGE Testing begins

April 5
Choir Concert 6:00 p.m.

April 7
Middle School Social
No afterschool!

April 10-14
Spring Break

SLCSE is looking for volunteers to help with mock job interviews for the financial literacy class. We are in need of approximately 5 to 6 volunteers. The date is Tuesday, April 18th from 10:00 am- 11:40 am here at SLCSE. If you can help us with this student activity, please email Ms. Haakenson at Kelly.haakenson@slcschools.org

SAGE Testing at SLCSE

On Tuesday 4th April we will commence SAGE testing (Student Assessment of Growth and Excellence) for students in grades 6 through 10. The SAGE testing provides feedback to students, parents and teachers on what your student has learned this year. Please support your student by helping them get to school on time, ensuring that they have a good night's sleep and encouraging them to start each day with a healthy breakfast.

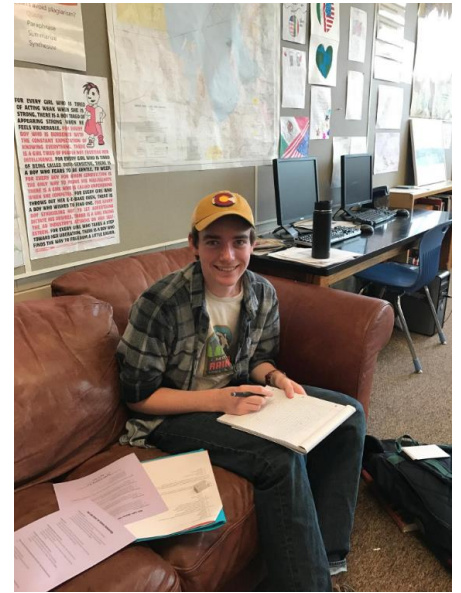

Mind Riot

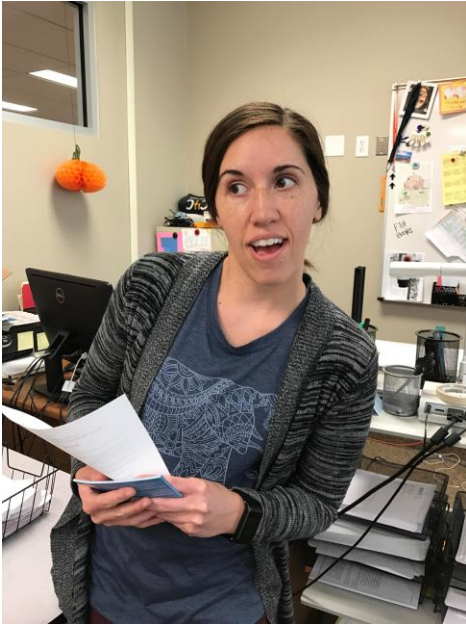

A fast paced three-day entrepreneurship competition designed for Utah high school students that want to change the world. Students will learn about social entrepreneurship from professionals in the fields of science, business and technology. Students will form teams and design a product or service that would solve a social problem.

Mind Riot takes place at The Leonardo museum in downtown Salt Lake City on June 15th-17th, 2017. This is a FREE event and is open to all high school students in Utah (9-12 grade). Applications will open January 9th, 2017 and will close April 30th, 2017. Don't wait until last minute to apply for this amazing opportunity!

Senior Spotlight

Elliot Powell-Hamilton has been accepting at Montana State University.

Congratulations Ms. Chandler

Ms. Chandler was recently awarded \$70,000 from the STEM Action Center to expand the computer programming offerings at SLCSE. Some of the money will help support Ms. Chandler in earning her endorsement in Computer Science. Most of the money will be used to buy computer programming tools and “toys” for new class offerings such as Web Development and App Development. Stay tuned!

SLCSE'S ZUPAS FUNDRAISER WAS A HUGE SUCCESS!

Thank you so much to all our students, parents, staff, and community that helped make our school night successful. Its moments like these when we realize our school community is the best! Cheers!

Computer Programmers

The computer programming students were invited to the University of Utah to test out University student projects, aps, games and virtual reality experiences.
