Welcome back!

Welcome back to a new school year! I am so excited to be a part of this great community. There is an old African proverb that states "it takes a village to raise a child". I believe that SLCSE is that village and is a model for a strong, supportive, caring community of ethical world citizens. I have seen so many kind acts between the students, staff, and faculty in these first few days. I think SLCSE students really can "change reality"!

As the new principal, I am a new face along with some faculty and students and many of you from the front office to the custodians have made us all feel welcome. Thank You! I will be out and about to visit and get to know everyone, so please feel free to come up and introduce yourself. Please know I have an open door policy and I look forward to helping in any way possible to make this a fun, successful year for ALL.

The school's founder, Larry Madden, and the amazing teachers and students here at SLCSE have created a very unique and supportive learning environment and I am honored to become a part of this "village". Good luck and don't be a stranger.

Ms Sanz

Welcome to SLCSE!

Brittany Armstrong graduated from the University of Utah with a Bachelor's degree in English Teaching where she completed a Spanish language study abroad program in Oviedo, Spain. She went on to receive her Master's degree in Education with an ESL endorsement and teaching license at the University of Utah in 2015. In her free time Brittany enjoys reading novels, hiking, skiing, rock climbing, and camping in southern Utah.

First Week of School

After School Programming

SLCSE's after school programming will begin on Tuesday September 8th. The Activity bus will also start its route on Tuesday leaving school at 5:05pm making three stops (Stop 1: Central Station, Stop 2: California and Emery St Stop 3: 400 S Cheyenne- Edison). It's not too late to register for after school, registration forms are available in the front office. The calendar of activities will be available next week.

What are you excited about?

SLCSE Staff were asked what they are most excited about this year, here's some of their responses:

..... to learn more about SLCSE students and to explore history and our world with them.

Mr. Crandall

.....my new science lab!

Ms. Moretz

.....our new attendance policy.

Ashley

..... to work with our new teachers, Ms. Armstrong and Mr. Crandall and our new principal, Ms. Sanz.

Rachel

..... studying pikas in the Uintahs.

Ms. Crim

.....to see our senior class, and my first class here at SLCSE, graduate.
