School Community Council

CASA

CASA stands for Communities Aspiring, Succeeding (and) Achieving together. Really that's CASAAT. It's a space for us to welcome the community and students. We've got a good start with couches and tables, but we are going to be adding three computer stations and a printer/scanner that will be available for parents and students to use. The space is already being utilized by our SLCSE kids. In addition, we are starting a monthly informal gathering in the CASA space for parents. On the first Friday of every month, we are hosting a gathering called "First Fridays". It's a time for parents

to drop by, have something sweet to eat, sip some coffee or juice, and learn about new happenings at the school. All are welcome! 8-9:30 am the first Friday of every month in the CASA (first door to the right when you enter the building).

SAA at the Ronald McDonald House

Thanks to all who donated ingredients, we prepared dinner for 60 visitors to the Ronald McDonald House. The **Ronald McDonald House** allows families to access specialized medical treatment by providing a place to stay at little or sometimes no cost.

ACT Test

It's Coming!!! **The ACT test for 11th graders is February 28th**

All SLCSE 11th graders will take the ACT test on the morning of Tuesday, February 28th for no cost. ACT prep will begin in 11th graders' core classes, but students can prepare on their own, too. Go to www.act.org/the-act/testprep to start practicing at home or on a mobile device.

Intent to Re-Enroll at SLCSE

Letters of Intent to Re-Enroll were sent home with students on Monday. Please return the letters before February 17th to secure your spot! Please don't forget that siblings of current students need to submit an application before February 17th to gain preference in admission.

Change in the bus route

The Salt Lake Center for Science Education bus stop on California Ave and Emery will be moving one and a half blocks west to California Ave and 1200 West in front of the LDS church. This will start as of Monday, February 6th.
