HI-GEAR (Girl Engineering Abilities Realized Camp)

June 12-16, 2017

9:00 a.m. – 4:30 p.m. daily

Audience: Female students currently in 9th-12th grade

What is Hi-GEAR?

High School Girls' Engineering Abilities Realized

The University of Utah, College of Engineering is pleased to offer our Annual Hi – GEAR Program, a special week-long event for female high school students. Hi-GEAR will be held June 12-16, 2017 from 9:00 am until 4:30 pm each day.

Hi-GEAR is designed to expose young women to a variety of engineering and computer science careers with hands-on experiential learning and collaborative team projects. Some past activities include: building trebuchets for launching water balloons, making perfume using distillation, programming and racing robots, extracting DNA, and touring University research labs. Participants interact with Hi-GEAR mentors (female college engineering students, female faculty and staff) who guide them through this program. Participants will also have the opportunity to earn scholarships to study engineering as a college student at the University of Utah!

HS UEC (High School Entrepreneur Challenge)

The High School Utah Entrepreneur Challenge (HS UEC) is designed to encourage high school students to explore innovation and entrepreneurship and offers over \$30,000 in cash and scholarship prizes. All high school students throughout Utah who are 14-18 years old (not fully enrolled in college) are encouraged to submit a simple business plan. You can find more details at <http://lassonde.utah.edu/hsuec/>.

The deadline is approaching quickly, there is only 1 month left! All applications are due March 1, 2017 by 11:59pm.

Summer Camps at the U of U

The School of Computing at the University of Utah offers summer technology outreach camps for 4th - 12th graders. These GREAT camps cover topics in programming, graphics, and robotics. You can see details about these programs

at www.cs.utah.edu/~dejohngo/GREAT

DA\$H FOR CA\$H

*This week, advertisements will be placed around the school for students to bring in any spare change they have to donate towards our trip.

*On **Friday, February 17 during advisory**, all the students will head down to the gym to donate their money.

*Whichever grade brings the most money will win a "super-secret mega awesome surprise".

We need your help! **PLEASE help us! If every student in the school brings \$5 we will meet our goal. We are trying to raise \$2,017 on 2/17/2017.**

SLCSE Application Deadline

SLCSE's Application window is closing very soon! This is your last opportunity to submit an application, if you haven't done so yet the last day to submit is February 17, 2017. If you know of families who may be interested in attending SLCSE, please pass on this information. Applications can be picked up at the school or accessed online from our home page www.slcse.org.
