

# SLCSE

1400 W. Goodwin Ave. Salt Lake City, UT 84116  
www.slcase.org T: (801)578-8226

## January 16

No school

## January 19

Open House for prospective families

## January 20

End of second quarter

## Spread the word!

The application window for the 2017/18 school year is now open. We will be accepting applications for the 2017/18 school year between **December 1st, 2016** and **February 15th, 2017**. Applications can be picked up at the school or accessed online from our home page [www.slcase.org](http://www.slcase.org).

If you know of families who may be interested in attending SLCSE, please pass on this information. Our applications so far are lacking in girls so please help us get the word out!

If you currently attend SLCSE, you do not need to complete an application. An Intent to Re-enroll form will be sent to you in February 2017.

Any siblings who are interested in attending SLCSE next year **MUST** complete an application during the open enrollment period. Our charter allows us to give preference **to siblings ONLY** if there are spots available in the grade they are applying to **AND** they submitted an application before February 15th, 2017.

Please contact Niki Hack if you have questions [niki.hack@slcschools.org](mailto:niki.hack@slcschools.org)

## Open House

Our annual SLCSE Open House will be held on January 19 from 5:30-7:00pm for new families interested in attending SLCSE next year. Please pass on the invitation to students you think would benefit from a great SLCSE education! This will be a great opportunity to meet teachers and learn about the school.

## SLCSE Science Fair

Want to learn more about bird lice, see innovative swamp cooler prototypes, or learn from SLCSE students who are trying to reconstruct past climates using soil cores? All this and much much more is yours for the learning if you would like to be a volunteer judge for the SLCSE Science Fair!

Volunteers are needed from 12:30-3:30 on Thursday, Feb 2nd. If you can come the whole time-- great! If you can come for 1 hour--also great!

A science background is helpful but not nearly as important as enthusiasm for talking with students. The willing and able should RSVP to [shea.wickelson@slcschools.org](mailto:shea.wickelson@slcschools.org)

## ACT Test

It's Coming!!! **The ACT test for 11th graders is February 28th**

All SLCSE 11th graders will take the ACT test on the morning of Tuesday, February 28th for no cost. ACT prep will begin in 11th graders' core classes, but students can prepare on their own, too. Go to [www.act.org/the-act/testprep](http://www.act.org/the-act/testprep) to start practicing at home or on a mobile device.

## Canned Food available at SLCSE for a limited time

Our SLCSE Food Drive was a success! We still have food stored at our school for any SLCSE families to pick-up. You can call the school to coordinate a pick up time, or feel free to text the counselors at (385) 313-0496. The food will go to the Food Bank on January 20th, so come pick-up food any time before next Friday, January 20th.

## Help!

SLCSE needs a space for Prom! We are looking for a possible space to have our Prom. We have a very limited budget, so we're looking to our greater SLCSE community for potential event spaces. If you or anyone you know has a connection at an event space, beautiful office building, university/college space, or unique large gathering spot, then please contact Ashley Paulsen-Cook. You can call the school at 801-578-8226 or email [ashley.paulsen@slcschools.org](mailto:ashley.paulsen@slcschools.org). Thanks!

## Want to be a host?

Every year SLCSE is asked to host a couple of foreign exchange students. These students enrich our school tremendously and help teach us about the world outside of Utah. PAX is looking for a host family for one of our students this year. Mehmet, from Turkey, is a junior at SLCSE. He loves math, enjoys ping pong and sharing about his country. Please contact Jamie Paskins for more information or consider being a host family next year. Questions? Ask Dr. Hack, she's a host Mom again this year and loving it!
