SLCSE Science Fair

All seventh and eighth grade students plus some high school students will be completing in our school science fair on February 4th. We are in **desperate need** of science fair judges who can commit to interviewing students from 12:30 until 3:30pm. You don't have to be a scientist, just someone with patience and enthusiasm. Please pass this request on to anyone you think might enjoy the experience even if it's just for one hour. Interested judges may contact Dr. Hack at niki.hack@slcschools.org

SLCSE Open House

The Open House last week was well attended and we have already received a considerable number of applications. We would like to thank the SLCSE parents and students who came to talk to prospective SLCSE parents about our school.

Please remember that the deadline for applications (including those for siblings) are due February 15th to be considered for the lottery. Please encourage any 6th grade or 9th grade student who has an interest in enrolling at SLCSE to submit an application.

Please note that all 8th grade students will be receiving a letter of Intent to Re-enroll at SLCSE, please return this letter so that we can hold a spot for your student. If you would like to discuss High School options for your student, you are welcome to make an appointment with Ms. Sanz.

Poetry Out Loud

The Salt Lake Center for Science Education announces a school contest for Poetry Out Loud: National Recitation Contest. The competition, presented in partnership with the Utah Department of Heritage and Arts, the National Endowment for the Arts, and the Poetry Foundation, is part of a national program that encourages high school students to learn about great poetry through memorization, performance, and competition. This will be SLCSE's third year competing in the Poetry Out Loud competition and this year the school competition will take place on Wednesday, January 27th in the SLCSE Auditorium from 6:00-7:00 pm. Please attend! Bring your family and friends for a night of enchanting and elevating performance poetry.

This week at SLCSE all high school students had the opportunity to recite their selected poem in front of a panel of judges from the University of Utah Creative Writing Program, Salt Lake City Public Library and teachers from SLCSE.

The winners of the first round and will represent their grade level on Wednesday 27th are:

9th grade: Isabel Zamora, Kayla Lambros, Leah Jang

10th grade: Claire Russon, Bri Slaughter, Benny Anjewierden

11th grade: Tyrell Floyd, Anna Mancera

12th grade: Sophie Retif, Juan Galvez

Expanding your Horizons Conference

Expanding Your Horizons (EYH) is a conference for girls 6th through 10th grade. This day-long event will include hands-on activities in science, technology, engineering, and math (STEM). At the conference, girls will get a chance to meet STEM role models and learn more about careers in those fields

Date:

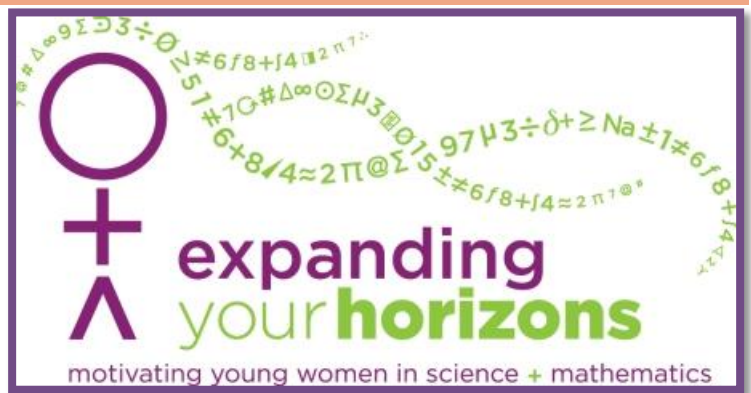

March 5, 2016

Time:

7:30 AM - 1:30 PM

Place:

Salt Lake Community College South City Campus 1575 South State Street Salt Lake City, UT 84105

Register online: <http://www.expandingyourhorizons.org/conferences/slcc/>
