SLCSE's Annual Washington DC Adventures

(Mr. Laarman took this picture!!)

Don't miss out on this exciting opportunity for next year! All SLCSE 10th graders are invited to attend SLCSE's annual trip to Washington D.C. This trip will further student learning of core social studies curriculum including U.S. Government, U.S. History, Geography, World Civilizations and Financial Literacy. During this 5-day trip, students will explore our nation's capital, museums, monuments, and historic sites. Students will be actively involved in the planning, fundraising, and execution of this great adventure.

When: Tentatively set for Spring Break 2018 (Thursday, March 22-Monday, March 27)

Where: Washington D.C.

Who: SLCSE 11th graders (2017-18 school year)

Cost: \$900 (actual cost is \$1350, we will fundraise the difference) – this is broken into 5 payments starting with a \$400 non-refundable deposit on **September 15, 2017**. A few partial scholarships are available for those students who would like to attend but are unable to pay the full cost. **Do not let the cost of the trip stop you from applying if you are interested. We want all students to go that want to go!!**

What is required to attend?

- Complete **trip application** with parent signature – turn in to Mrs. Haakenson **Wednesday, May 17**.
- Attend **mandatory D.C. trip orientation meeting Tuesday, May 30 from 5:15-6:15pm** (this is for students & parents)
- Attend 7 out of 8 monthly student planning meetings (this may be replaced with DC related class)
- Contribute a minimum of 40 hours towards fundraising & preparation
- Pay the full amount, either in one lump sum, or according to the payment schedule. The payment schedule will be explained at the mandatory D.C. trip orientation. Students receiving partial scholarship may not be required to meet this requirement.
- **You!! Bring your enthusiasm, dedication and willingness to learn and work hard.**

Wilderness Inquiry Canoemobile

On Monday 150 of our SLCSE students canoed down the Jordan River with Wilderness Inquiry. Canoemobile brings classroom learning outside, engaging youth to improve school performance, cultivating a stewardship ethic, and creating pathways to pursue educational and career opportunities in the outdoors. Thank you to Mr. Eaton for providing this fun opportunity to our middle school students.
