Summer Plans?

Money 101 at Westminster College

Money 101 is for youth ages 13–17. Come learn the basics of money management, how credit is established and maintained, and the basics of investing. Camp will be held in the Westminster Center for Financial Analysis that simulates a trading floor for securities. Participants will create a stock portfolio that can be tracked all summer long. Also, the camp will cover many of the requirements for the scouting Personal Management merit badge.

The camp is run by Jon McKenzie the Director for the Westminster Center for Financial Analysis and a licensed practicing financial advisor. His real world examples and hands-on experiences will leave the youth excited to properly and effectively manage their money now and in the future.

Money 101 will be held June 25-June 29, 2018 from 9:00 a.m. to noon.

The cost of the camp is \$195 and includes all fees, a shirt, snacks, and prizes at the end of the camp. For further information, contact Jon McKenzie (camp director) at 801.832.2878 or by email at jmckenzie@westminstercollege.edu.

Want to see the World? Have the World Come to You!

Be a host family. Every year, SLCSE is home to a couple of foreign exchange students. These young people travel from their homes and live with a host family for a year attending school and learning about American culture. In the past, we have had students from Italy, Germany, Malaysia, Thailand, Spain and Turkey; all have contributed positively to our school and to their American peers by bringing fresh perspectives on life. Next year we have a student from Pakistan and another from Spain, the young woman from Spain does not yet have a host family. Izaro is 16 years old; she is interested in Science, Music and

Dance. If there is a SLCSE family who would be interested in hosting her, please contact Jamie Paskins (jamiepaskins@gmail.com). If you want more information about what it's like to host contact Niki Hack (niki.hack@lscschools.org) or Lynn Lonardo (lynn.lonardo@hsc.utah.edu)
