## Day of Code

---

The Hour of Code is a global movement reaching tens of millions of students in 180+ countries. SLCSE will be holding an Hour of Code event during Computer education Week on December 7. Every student will participate in a couple of activities focused on computer science.

There will be coding, games, robots and more.

## Open Enrollment

---

The application window for the 2018/19 school year is now open. We will be accepting applications for the 2017/18 school year between **December 1, 2017** and **February 16, 2018**. Applications are available at school or online [www.slcese.org](http://www.slcese.org). If you know of families who may be interested in attending SLCSE, please pass on this information.

If you currently attend SLCSE, you do not need to complete an application. You will receive an Intent to Re-enroll form in February 2017.

Please contact Niki Hack if you have questions [niki.hack@slcschools.org](mailto:niki.hack@slcschools.org)

## SLCSE Giving Tree

Thank you for your great support in our Annual SLCSE Food Drive! It was hugely successful thanks to your generosity. 'Tis the season to be involved in the SLCSE Giving Tree. This year we will be sponsoring five families from Bryant Middle School. In the lobby, you will find the tree. Please take an ornament from the tree, purchase the item, and return the item (unwrapped) with the ornament to Ashley by December 20<sup>th</sup>. There are gifts at a variety of price ranges. Anything you are able to do will make a difference for another this holiday season. We appreciate the kind and involved SLCSE community!
