Down the Drain

Poetry Out Loud

Our English department is preparing for the annual Poetry Out Loud competition. Students in grades 8-12 will be selecting their poems for memorization and recitation after the Thanksgiving break. We have experienced great success with this program in building public speaking skills, self-confidence, and learning about literary history and contemporary life. Please support our students by helping them memorize their chosen poem.

Our school is just one of approximately 10,000 schools in the U.S. that will be participating in the competition. SLCSE will be holding the event on Wednesday January 25th.
