Goshutes Expedition

SLCSE has had a long lasting partnership with Hawkwatch International, an organization that works tirelessly to conserve our environment through education, long-term monitoring, and scientific research on raptors as indicators of ecosystem health. SLCSE high school students have collaborated on projects around this mission. Ms. Chandler's Psychology students were fortunate enough to spend the weekend with field biologists from Hawkwatch, catching raptors and collecting data.

October 18 @3:30pm

Scholarship Workshop

October 19

Short day

October 20-21

U.E.A No school

October 27 @6pm

Choir Concert and
Spaghetti Dinner @5pm

Scholarship Support

Attention all Seniors! If you would like some extra mentorship on finding and applying for scholarships or researching colleges and working on applications, we are here to help you!

Stop by the computer lab after school on 18th October, 26th October, 9th November and 29th November where there will be people to help you. If there are any parents who would like to help with editing and revising scholarship essays during these times, please contact Mr. Crandall.

Christmas Tree

If anyone has a fake Christmas tree that they would be willing to donate, SLCSE could find a home for it! Please contact the front office.

Holiday Wreathes

Wreathes come fresh from Oregon. They are \$30 for a wreath or a swag, and \$50 for a 25' garland. They will arrive the week after Thanksgiving.

Anyone interested in buying them can do so through the office, or from an 11th grade student that is going to DC.

Fill Up and Make a Difference!

From October 1 through October 31, 2016, in Salt Lake City, Chevron will donate \$1 with every fill-up of 8 or more gallons, up to \$1 Million, to help fund materials and supplies for local public schools through DonorsChoose.org.

SLCSE teachers have requested funds (22 projects in total) that they hope will be funded through the Chevron Fuel your School Program

Supporting education at SLCSE was never so easy!

- Go to Chevron or Texaco
- Fill up with 8 gallons of gas or more.
- Tell your friends!

School Community Council meets the second Wednesday of every month at 5pm. We invite parents to attend (no regular attendance commitment is required), we value your input at these meetings

Washington D.C Fundraising

SLCSE has an ongoing tradition of taking 11th grade students to Washington D.C. in the spring of their junior year. This is often a life changing event for students and at the same time a huge amount of work for the teachers that volunteer their time to making this trip happen.

Attention SCLSE community, the 11th graders are looking for people to support their upcoming Washington DC fundraiser by donating food items for the science dinner this Thursday, Oct. 27.

If you are able to donate any of the following items, please email Ms. Haakenson as soon as possible. (Kelly.haakenson@slcschools.org). Be sure to include in your email what food item you will donate, as well as how much/ how many servings.

Items needed by the morning of Wednesday, Oct. 26:

- *4 gallons tomato sauce (from Costco)
- *5 diced onions/ bag of diced onions from Costco
- *2-3 stalks of celery
- *15 lbs. of ground beef

Items needed by the morning of Thursday, Oct. 28:

Food items needed (we are expecting to serve 175-200 people):

- *Salad (roughly 15 bags)
- *French or garlic bread (10 loaves)
- *Tubs of butter (2)
- *Lemonade Powder (4 containers)

Thanks!

The 11th grade Washington DC crew

A Word about Halloween

There are no special events planned on Monday 31st. it will be a regular awesome SLCSE school day. If a student chose to dress up, we ask that the SLCSE dress code be adhered to.

Dress Code

Students, teachers, and staff are expected to dress in a manner that demonstrates they respect themselves and the learning environment. Clothing should be neat, clean, and appropriate for learning and weather conditions. It should not draw inappropriate attention to the wearer, nor disrupt the learning environment. If clothing or behavior is distracting to teachers or students, such clothing or behavior is unacceptable. Staff will determine when an individual student is in violation of the dress code. Parents may be called to bring the student a suitable change of clothing. Parents are also expected to observe the dress code whenever they are in the building or participating in an student activity.

The following would be considered in violation of the dress code:

- Garments that are low enough to reveal a student's underwear
- Clothing advertising drugs, alcohol, tobacco, acts of violence or lawlessness

- Clothing associated with gangs, illicit drugs, or illegal substances
- Clothing with offensive and/or vulgar language and/or designs
- Clothing which calls attention to the body, including bike pants, spandex, unitard knit, tights, body suits, sheer clothing or skin tight clothing
- Hats or caps worn in the building
- Clothing with intentional cuts, slashes, fraying, or holes
- Short shorts, running shorts, or miniskirts
- Crop tops showing midriffs, tube tops, spaghetti straps or halters
- Coats worn in the building during instructional time
- Belt tails that dangle
- Sunglasses

U Mines and Earth Sciences
THE UNIVERSITY OF UTAH

Scienceday
U

U College of Science
THE UNIVERSITY OF UTAH

Science Day at the U is for high school students grade 9 - 12.

Explore amazing science and educational opportunities with exciting workshops taught by some of the U's best professors and local STEM industry business leaders.

SATURDAY
NOVEMBER 12
8:00 AM - 1:30 PM

This is a free event.

Workshop space is limited. Register early at science.utah.edu for best selection.
Registration opens October 10, 2016. Lunch is provided.

During the closing activities one \$3,000 scholarship and three \$1,000 scholarship prizes will be awarded! To be considered for this special prize you must attend Science Day at the U and be present at the closing ceremony. The scholarship is for study at the University of Utah. Other prizes will also be given away.
