November 12

Science Day at the U

November 18 10-11am

Down the Drain

November 23

Short day

November 24 & 25

No school

Scholarship Support

Attention all Seniors! If you would like some extra mentorship on finding and applying for scholarships or researching colleges and working on applications, we are here to help you!

Stop by after school on October, 18th and 26th November 9th and 29th where there will be people to help you. If there are any parents who would like to help with editing and revising scholarship essays during these times, please contact Mr. Crandall.

You are invited

10th grade Chemistry Students at the Salt Lake Center for Science Education have been partnering with the University of Utah and the Salt Lake Water Reclamation

Plant to investigate "What goes down the drain?"

We will be presenting our findings in a poster session on Friday, November 18th from 10-11am at the Salt Lake Center for Science Education and would love to have you join us. 1400 W. Goodwin Avenue (1140 N.)

RSVPs appreciated, please email Shea.Wickelson@slcschools.org

Thanks,
Shea Wickelson

SLCSE Chemistry

Fill Up and Make a Difference!

From October 1 through October 31, 2016, in Salt Lake City, Chevron will donate \$1 with every fill-up of 8 or more gallons, up to \$1 Million, to help fund materials and supplies for local public schools through DonorsChoose.org.

SLCSE teachers have requested funds (19 projects in total) that they hope will be funded through the Chevron Fuel your School Program

Supporting education at SLCSE was never so easy!

- Go to Chevron or Texaco
- Fill up with 8 gallons of gas or more.
- Tell your friends!

School Community Council meets the second Wednesday of every month at 5pm. We invite parents to attend (no regular attendance commitment is required), we value your input at these meetings

SLCSE thanks Kristine Porter for the donation of a Christmas tree. We will be using the tree for our Angel Tree program this year to help SLCSE families, in need of some extra support this holiday season. Stay posted on how you can help.

Holiday Wreathes

Wreathes come fresh from Oregon. They are \$30 for a wreath or a swag, and \$50 for a 25' garland. They will arrive the week after Thanksgiving.

Anyone interested in buying them can do so through the office, or from an 11th grade student that is going to DC.

Music Appreciation Club

SLCSE students have a remarkable opportunity to attend some high quality performances by the Utah Symphony. The information for this opportunity got to us very recently and due to available seating we are forced to gather permission slips and club fees by this Friday the 28th. The cost per student is \$25.00 for the year and includes five concerts. The dates are tentatively; 11/18/2016, 1/19/2017, 2/24/2017, 4/28/2017, 5/26/2017. If the seating for those dates is unavailable we will request tickets for the day following the date provided. The concerts are all in the evening around 7pm. A bus will be provided for transport that will take students to and

from the school. This is a great opportunity that we hope your student will take advantage of. To get the information and permission slips that are due this Friday see Mr. Chandler, Mrs. Dahl, or the front office.

Career Day

December 2 will be our annual Career day event when we invite people to come talk about their chosen career to our students. **We need presenters!!!**

We are especially interested in careers in the following areas: mechanic, electrician, pilot, plumber, dentist, aesthetician/cosmetologist, military, FBI, detective, architect, physical therapist, or anything kind of "unusual".

Interested? Contact Ashley Paulsen-Cook at ashley.paulsen@slcschools.org or 801-578-8226.
