SLCSE Bike Team

The SLCSE mountain bike team have been tearing it up on Utah's mountains this past month. There are still a few races coming up if you want to cheer them on.

Oct. 10-15	Snowbasin
Oct. 10-29	Eagle Mountain
Nov. 11-5	Saint George, State Finals

Check with Mr. Hamilton for more information.

Thank you SLCSE parents for providing delicious food during Parent-teacher Conferences. It was so appreciated!

October 12th @ 5pm

October 19th

Short day

October 20-21

U.E.A No school

October 27th @6pm

Choir Concert and Spaghetti Dinner

Choir Accomplishments

As part of the Utah state conference, ACDA Utah has selected 6 of our SLCSE students to perform with a Girls Honor Choir! This Honor Choir will be an SSA choir consisting of females in grades 6-12.

ACDA has secured a fantastic clinician, Dr. Sharon Paul from the University of Oregon, who has worked successfully with girls of middle school, high school, and university ages.

A big shout out to Mrs. Dahl for fostering and encouraging such amazing SLCSE talent.

The conference will be held October 21-22, at the University of Utah.

Washington D.C Fundraising

SLCSE has an ongoing tradition of taking 11th grade students to Washington D.C. in the spring of their junior year. This is often a life changing event for students and at the same time a huge amount of work for the teachers that volunteer their time to making this trip happen.

The easiest way to support this endeavor is to participate in some of our fundraising activities.

On October 27th, we will be hosting a spaghetti dinner before the choir concert. Dinner starts at 5:15 and the choir concert starts at 6:30.

Holiday wreath sales will begin on October 10, \$35 for a wreath, \$35 for swag and \$55 for a garland.

Fill Up and Make a Difference!

From October 1 through October 31, 2016, in Salt Lake City, Chevron will donate \$1 with every fill-up of 8 or more gallons, up to \$1 Million, to help fund materials and supplies for local public schools through DonorsChoose.org.

SLCSE teachers have requested funds (22 projects in total) that they hope will be funded through the Chevron Fuel your School Program

Supporting education at SLCSE was never so easy!

- Go to Chevron or Texaco
- Fill up with 8 gallons of gas or more.
- Tell your friends!

U Mines and Earth Sciences
THE UNIVERSITY OF UTAH

Scienceday
U

U College of Science
THE UNIVERSITY OF UTAH

Science Day at the U is for high school students grade 9 - 12.

Explore amazing science and educational opportunities with exciting workshops taught by some of the U's best professors and local STEM industry business leaders.

**SATURDAY
NOVEMBER 12**

8:00 AM - 1:30 PM

This is a free event.

Workshop space is limited. Register early at science.utah.edu for best selection.
Registration opens October 10, 2016. Lunch is provided.

During the closing activities one \$3,000 scholarship and three \$1,000 scholarship prizes will be awarded! To be considered for this special prize you must attend Science Day at the U and be present at the closing ceremony. The scholarship is for study at the University of Utah. Other prizes will also be given away.

SPOOKY SCIENCE @ The Leonardo

A little science can go a long way in explaining the spooky and the scary. Scary things aren't always as scary as they seem. Use Spooky Science to shine a light on some of the creepiest, crawliest things imaginable — ghosts, monsters and more!

The SPOOKY SCIENCE exhibit will only be displayed through the month of October. Don't miss out! Bring the whole family and come experience the science behind fear and fright.
